First International Stereo Exhibition

2001

Catalog of Acceptances and Awards

A Word from the Exhibition Chairman

OSPS recently hosted our first PSA International Exhibition. We had 77 entries for a total of 308 slides. All were interesting and many were **absolutely great 3D**. The Selection Process was done Saturday, April 21, 2001.

I thought that it is interesting to note that the slide entries came from 18 different States of the USA and from 7 other Countries. The States were: Alabama, California, Colorado, Florida, Georgia, Iowa, Idaho, Illinois, Kansas, Maryland, Michigan, Nebraska, New York, Ohio, Oregon, Texas, Virginia, Wyoming. California led the list with 14 people who entered our Exhibition.

The other Countries (and entries) were: Australia (6), Austria (1), Belgium (1), Canada (1), England & UK (4), Germany (7), India (1).

Thanks to ALL who submitted slides for our first Exhibition and hope that you continue to do so for our next Exhibition. Thanks also are appropriate for our Selection Team:

- Selectors- **John Waldsmith, George Themelis, Ron Wilson.**
- Projectionists- **Ron Fross and Dennis Petti.**
- Scoring- **Mark Motley and Debbie Motley.**

My personal Thanks to **Ray and Nancy Moxom** of the Sydney Australia club for the technical assistance in setting up the Excel files which I used to record the entries and to manipulate the data to get various forms such as those used for the selection process. Thanks also to **Mark Motley** for his help in proofreading to catch errors in my typing, and to **Debbie Motley** for her assistance in getting the names and addresses from my Excel file and making the labels used for the mailing info and slides back to the entrants. If there is anyone else that I should have thanked and didn't, I thank you too.
